

KELLIL Hadia

Researcher professor

EDUCATION

Baccalaureat

2001

Natural Sciences and Life Sciences

Degree in Agricultural Engineering

2001-2006

Speciality: Phytotechnics

University : Colonel El Hadj Lakhdar Batna

Magister Degree in Agricultural Sciences

2006-2011

Speciality: Plant protection

Title:

Contribution to the study of the entomological complex of cereals in the high plains of eastern Algeria.

Supervisor: Pr. Si Bachir Abdelkrim

University: Colonel El Hadj Lakhdar Batna

Doctorate in Agricultural Sciences

2012-2019

Speciality: Plant protection

Title:

A contribution to the study of the functional bio-ecology of entomological populations associated with cereal agro-ecosystems in north-eastern Algeria (Setif, Constantine).

Supervisor: Pr. Si Bachir Abdelkrim

University : Mohamed Khider Biskra

COMPETENCIES

- Sorting insects and preparing insect collection boxes
- Master the identification of insects at the level of orders and families
- Master the assembly and identification of aphids
