## GRADE

Associate Professor

## DEPARTMENT

BMC

## FACULTY

Naturel and life Sciences

## UNIVERSITY

Abbes laghrour-Khenchela

## LANGUAGES

Arabic

English Frensh

## EDUCATION

### baccalaureate 1994

Engineer in Animal Physiology and Biology 1994 -1999

**Specialty** : Animal Physiology and Biology

**Title** : haemoglobinopathy in patients in department haematology in the region of Batna

**Supervisor** : Dr. Houda BAROUK

**University** : Larbi ben M'hidi-Oum el bouaghi

Magister in Entomology 2003 - 2006

**Specialty**: Agronomic and medical applications

**Title**: Contribution to the knowledge of wild bees (Hymenoptera; Apoidea) in natural and cultivated environments in the region of Khenchela

**Supervisor**: Pr.Kamel LOUADI

**University** :Constantine 1 -Constantine-

PhD in Entomolgy

**Title**: monograph and biogeography of Anthophorini and Eucerini in the Aures region

**Supervisor**: Pr. Kamel LOUADI

**University** :Constantine 1 -Constantine-

B.P 420 Annasr Khenchela

## GRADE

Associate Professor

## DEPARTMENT

BMC

## FACULTY

Naturel and life Sciences

## UNIVERSITY

Abbes laghrour-Khenchela

## LANGUAGES

Arabe Français Anglais

## FIELDS OF RESEARCH

Pollinator insects of cultivated and spontaneous plants

## RESEARCH PROJECTS

**CNEPRU Project:** " SYSTEMATIQUE, BIO-  
ECOLOGIE ET INTERET AGRO-ECONOMIQUE DES  
HYMENOPTERES APOIDES".

**Project director:** Pr.Karima  
BENACHOUR

**Project code:** UN250120150004

## LABORATORY AFFILIATION

**Laboratory:** Biosystematic and arthropods  
ecology Laboratory

**Faculty:** Natural and life sciences

**University:** Mentouri ,Constantine 1
