## FIELDS OF RESEARCH

Forestry, Botany  
and Wild plants

## RESEARCH PROJECTS

**PRFU Project:**  
Conservation and  
restoration of forest  
environments and  
valorization of forest  
resources in biological  
control 2019/2022

**Project Director:**

Pr. Nacera HANOUNI

**Project code:**

D04N01UN360120190003

## LABORATORY AFFILIATION

**Laboratory:** Laboratory of  
Algerian Forests and  
Climate Change  
Higher National School  
of Forests, 40000  
Khenchela, Algeria.

## SKILLS SUMMARY

Teaching	90%
Research	45%

## EDUCATION

### baccalauréat 1999/2000

Ingénieur in Agronomy 2005
