Research fields

Human genetics
Genetic polymorphisms
Molecular biology
Oncogenetics

Laboratory Affiliation

Member of laboratory of
biotechnology, environment, water and
health.

Team Title : genetic, environment and
cancer

Team leader : Dr. HAMLI Sofia

UNIVERSITY

Abbes laghrour-Khenchela
Faculty of Natural and Life Sciences

EDUCATION

2012 University accreditation from Mentouri university. Constantine

2008 Doctor in genetics. Mentouri university. Constantine

2002 Magister degree, Molecular biology. Faculty of
sciences of Tunis (FST)

2000 DES in natural sciences. (FST)

1996 Baccalaureate experimental sciences. Tunisia

EXPERIENCE

2012-2015 Member of scientific committee of the
departement

Of cellular and molecular biology. abbes laghrour
university

2012-2015 Member of scientific council of the natural
and life sciences. abbes laghrour university

2012 associate professor A at abbes laghrour university

2013-2016 head of biology sector at the natural and life
sciences faculty.

2008 associate professor B at abbes laghrour university

2004 Recruitment at the Khenchela university center
