

# HAMIDECHI

**MOHAMED ABDELHAFID**

University Professor

## About Me

Professor in Pathologic Microbiology and researcher in molecular bioinformatics and artificial intelligence

Key Words :

Microbiology, Bioinformatics, Data mining

+213778320805

hamidechi.abdelhafid@univ-khenchela.dz

## LANGUAGE

- French
- Arabic
- English

## EXPERTISE

- LMD Sysytem Training
- CNEPRU Research Projects
- Laboratories Project Creation

## EXPERIENCE

**Editor in-Chief of the scientific Journal (Constantine 1 University) : 2006 - 2016**

Chairman of the :

- Faculty Scientific Council
  - Department Scientific Committee
- Constantine 1 University : 2019 - 2023.

**Member of the doctoral committee :**  
**Bioinformatics**  
**Molecular Microbiology**  
**Applied Microbiology**  
**Applied Biochemistry**

**Research Team Leader in Molecular Bioinformatics and citizen health**

## EDUCATION

**Constantine 1 University**

State Doctorate degree in Microbiology (2004)

## SKILLS SUMMARY

Online courses creation and design  70 %

Python . Delphi  30 %

## SKILLS SUMMARY

- MS-Office : Word, Excel, PowerPoint, Front Page, Acces
- iWORK : Pages, Numbers, Keynote
- Photoshop
- SPSS
- GraphPad Prism
- Système d'exploitation open-source linux

## PROGRAMS TAUGHT

- Molecular Biology
- Genetic Engineering
- Structural and metabolic Biochemistry
- Microbiology
- Biostatistics & Data Mining
- Molecular Bioinformatics
- Molecular Phylogeny
- Enzymology
- Biological data bases

## DEGREES & DIPLOMAS OBTAINED

- PhD: Microbiology
- Magister degree : General Microbiology
- Post-graduate diploma : Microbiology
- Diploma of Applied University Studies: Computer Science:(Informatics) Information Systems.
