 032721404

LANGUES

Anglais 

Francais 

Arabe 

Education

1997-2000 Secondary cycle, Achi Abdelmajid high school Algeria
Bachelor of Science with honors

June 2000.

2000-2007 University of Batna, State Engineer in Civil Engineering
Option: structures.

2008-2011 University of Biskra, Master in Civil Engineering
Option: Modeling of materials and structures.2017-201

University of Birmingham (GB)

E.L.T.S tests English language with a score of six2021

University of Batna

Doctor of Science in structural mechanics

Professional experience

2007-2008 Project manager engineer in SERO-EAST Batna.

2008-2012 Design Engineer CTC-EST khenchela

Trainer on ROBOBAT, SAP2000, ETABS, SAFE and STAAD-PRO
software

Academic Experience

2012-2013 Assistant Master B

2013-2020 Assistant Master A

2013 Deputy head of department in charge of pedagogy

2021 Senior Lecturer B

2022 Senior Lecturer A
