

WAHIBA BEGHAMI

Maître assistant classe B

PROFIL

-
- Yabous, Khencela
- wahiba.beghami@univ-khencela.dz
- 00213669664249

LANGUES

Anglais	<div style="width: 80%;"></div>
Français	<div style="width: 80%;"></div>
Arabe :	<div style="width: 80%;"></div>

FORMATION

2018 - 2022

Amman, Jordanie

DIPLOME: Doctorat en Mathématiques

Université Jordanienne, Amman,

2016 - 2018

Khenchela, Algérie

DIPLOME: Master En Mathématiques appliquées

Université Abess Laghrour, Khenchela,

20113 - 2016

Khenchela, Algérie

DIPLOME: Licence En Mathématiques

Université Abesse Laghrour, Khenchela, Algérie

Juin 2013

Khenchela, Algérie

DIPLOME: de Baccalauréat en Sciences

Lycée Yabous, Khenchela, Algérie

Université Abesse Laghrour, Khenchela

Maître assistant classe B

Dèpartement de mathèmatique

- Beghami, W., Maayah, B., Bushnaq, S., & Abu Arqub, O. (2022). The Laplace optimized decomposition method for solving systems of partial differential equations of fractional order. *International Journal of Applied and Computational Mathematics*, 8(2), 52.
- Beghami, W., Maayah, B., Arqub, O. A., & Bushnaq, S. (2023). Fractional approximate solutions of 2D reaction–diffusion Brusselator model using the novel Laplace-optimized decomposition approach. *International Journal of Modern Physics C*, 34(07), 2350086.
- Farraj, G., Maayah, B., Khalil, R., & Beghami, W. (2023). An algorithm for solving fractional differential equations using conformable optimized decomposition method. *International Journal of Advances in Soft Computing & Its Applications*, 15(1).
