Curriculum Vitae

FORMATION

DIPLOMA: PHD

Université laarbi ben m'Hidi 2018

Oum elbouaghi, algeria

Position held:

Professor

Khenchela, algeria

Establishment: Abbes LAGHROUR

University - Khenchela

INTERNATION PUBLICATIONS:

- ➔ 2004 ;publication dans le journal Actacristallographica E intitulé****Hydrogène bonding in créatininium nitrate****
- 2005 ; publication dans le journal Actacristallographica E intitulé****Hydrogène bonding in DLleucinium nitrate***
- 2017 **publication** dans le Journal of Molecular Structure intitulé “A comparative study of two novel unsymmetrically substituted Triazacyclohexanes” 2017, vol. 1138, p.64-70
- 2022 journal of Indones ***intitulé Evaluation of Phytochemical Properties and Biological Activities of Leaf Extracts and Oil of Petroselinum sativum Collected from Algeria.***
- 2023 **publication** dans le Journal of ChemistrySelect “,***Synthesis, Characterization, Hirshfeld Surface Analysis, DFT Study and Molecular Docking of 1,3-Bis(4-chlorophenyl)- 5-(4-chlorobenzyl)-1,3,5-triazinane,***
