FORMATION

2015- 2022

Oum el bouaghi, Algeria

DIPLOMA Doctorate LMD
Physics of semiconductors and materials

Oum El Bouaghi University

2015 - 2013

Khenchela , Algeria

DIPLOMA Academic Master
Materials physics

Khenchela University

ABBES LAGHROUR KHENCHELA - University

Faculty: Science and technology

Department: Material Science

Position held

- Class B assistant master

➔ Effect of Cobalt and Nickel Doping on Structural and Magnetic Properties of Iron Oxide Nanoparticles

Journal of Inorganic and Organometallic Polymers and Materials (2022) 32:1287–1294
