

## 11-Sustainable cities and communities

### Operational measures

- Does your university provide public access to cultural buildings, monuments or heritage landscapes ?

Yes, and this is evident by the internships and scientific outings:

a scientific exit for the "Bernoulli Hydraulic Club", specifically the "stitch mouth closure" on 18/10/2023.

A scientific trip to Biskra - exactly Sidi Naji gorge where the shrine of Uqba ibin Nafi al-Fihri was visited on 13/02/2024.

Scientific trip to the municipality of "Lamsara" in the city of Khenchela, which resulted in a visit to

the historical museum in the area of "Lamsara"

the historical house that hosted the meeting of 31/10/1954 .

The martyr village exterminated by French colonialism on: 12/11/1954.

Startups especially What is related to heritage and arts

#### 11-04 Sustainable Practices :

- **Does your university as a body measure and set goals for the most sustainable mobility (walking, cycling, or other non-motorized transportation, mass transit vehicles, shuttle buses, public transport, motorcycles, railways ?**

Yes, by providing mass transportation (student buses) where 51 buses were deployed, in addition to 9 private transport vehicles, including 2 utility vehicles.

Does your university as a body encourage or allow remote work or remote work for employees as a matter of policy or standard practice or offer an intensive work week to reduce employee mobility ?

- **Is your university as a body taking action to promote more sustainable mobility (e.g. provision of free or subsidized buses or shared transport schemes, provision of bicycle parking and storage, provision of bicycle paths, bicycle and pedestrian plan or policy, bike sharing program, free or discounted transport tickets, car, van or shared ride-sharing program, reduced parking fees or perential parking for users of shared cars or vans). Or car sharing program, electric vehicle charging stations and preferred parking for fuel-efficient vehicles ?**

Yes, as it worked to provide free transportation for students, car insurance (an agreement with the National Insurance Company( SAA), and parking lots for students, professors, and employees. It also provides group transportation for scientific outings, trips - university services, as well as ambulances (02) with health services.

- **Does your university as a body encourage or allow remote work or remote work for employees as a matter of policy or standard practice or offer an intensive work week to reduce employee mobility ?**

Yes, it is encouraged, according to its capabilities.

- **Does your university as an authority provide affordable housing for its employees ?**

Yes, housing is available in different formats such as functional With an average monthly rent of 2000 DZD

Does your university as a body provide affordable housing for students ?

Yes, it provides, as accommodation for students is free of charge, in addition to free food.

- **Does your university prioritize pedestrian access to campus?**

Yes, priority is given while Each university's complex includes a special entrance for pedestrians only.

- **Does your university work as a body with local authorities to address planning or development issues including ensuring that locals have access to affordable housing?**

Do not work with the authorities and do not interfere in the provision of housing for the local population.

- **Does your university as an authority build new buildings according to sustainability standards (if yes, does it follow a standard or a national body such as the World Green Building Council that you accredit?**

Do not build buildings.

- **Does your university as an authority build on abandoned sites where possible (abandoned sites are those that have witnessed previous and recent construction)?**

It does not build abandoned sites, but rather re-exploits abandoned urban areas, such as converting the former university library area into the University of Continuing Education, and the exploiting the residential area of the old economical faculty building and converting it into an intensive language education center.
