GRADE

Associate Professor

FACULTY

Faculty of Natural and Life Sciences

DEPARTMENT

Department of Agricultural Sciences

UNIVERSITY

Abbes Laghrour University, Khencela

PROFIL

Last name: ZERAIB **First name:** Azzeddine

Date of birth: 09 Décembre 1979

Birthplace: T'kout, Batna.

Family status: Married and father of three children: two daughters and one son.

I have extensive experience in higher education and scientific research (over 12 years of practice). Throughout my career, I have taught various subjects directly or indirectly related to plants and their metabolites. I am passionate about plants, their identification, and especially chemosystematics using the chemical profile of essential oils. I have participated in several research projects focusing on plant extracts' chemical characterization and biological activities, particularly those endemic to Algeria or North Africa.

EDUCATION

- ⊕ **Baccalaureate in Natural and Life Sciences (June 1998);**
- ⊕ **Diploma in Higher Studies in Biology and Plant Physiology** (2002, Elarbi ben M'hidi University Center, Oum El-Bouaghi);
- ⊕ **Magister in Biology, Option: Valorization of Plant Resources** (Topic: Monograph of the genus *Moricandia* in Eastern Algeria, 2010, Ferhat Abbes University, Sétif);
- ⊕ **Doctorate in Sciences, in Plant Biology** (Topic: Phytochemical and chemosystematic study of *Juniperus thurifera* L. in Algeria, 2016, University of Sétif1);
- ⊕ **Degree of Authorization to Supervise Researches**, speciality : Biological sciences: First session of university authorization (December 2021).

PROFESSIONAL ACTIVITIES

- **From January 18, 2012 to December 31, 2013:** Assistant professor class (B), Faculty of Life and Nature Sciences, Abbes Laghrour University, Khencela.
- **2013-2016 :** Assistant professor class (A), Faculty of Life and Nature Sciences, Abbes Laghrour University, Khencela,
- **From November 03, 2016 to December 01, 2021:** Associate Professor Class B, Faculty of Life and Nature Sciences, Abbes Laghrour University, Khencela.
- **From December 02, 2021 :** Associate Professor Class B, Faculty of Life and Nature Sciences, Abbes Laghrour University, Khencela,
- **Head of agricultural sciences department: 2015-2016.**
- **Head of agricultural sciences department from Mai 2022.**

EDUCATIONAL ACTIVITIES

TEACHING

Teaching several modules at different levels:

Common trunc: Botany;

License: Valorization of plants of economic interest, Plant biochemistry, Plant ecophysiology, Systematic botany, Biometrics (Biostatistics), ..

Master: Modeling Applied to plant biology, Systematic botany, Phytochemistry, Biodiversity of plant species, Biometrics,...

FRAMING

Supervised dozens of Bachelor's and Master's theses in Biochemistry and Molecular Biology, Applied Biochemistry, Plant Biotechnology, and Plant Breeding and Microbiology from 2010 to date (February 2024).

Doctorate

Co-supervisor of an LMD doctoral thesis entitled: Phytochemical study and biological activities of the species *Salvia balansae* Noë ex Coss.
